MESSAGE FROM THE MANAGEMENT

E&C is part of everything we do at 3Point2. While working with colleagues, clients, partners, suppliers, agents, and any other third parties, it is our responsibility to act in accordance with our corporate policies. Any form of corruption, bribery, or inappropriate and unethical behavior is against what we stand for and can seriously jeopardize the reputation of the company and can lead to criminal liability for our employees.

We must all play our part to encourage ethical conduct within our teams and support E&C initiatives. When it comes to ethics and compliance, there should never be a second thought!
